

**Stand Strong Stay Safe**, a Pre-K – 5<sup>th</sup> Grade safety education curriculum, teaches children how to prevent violence and abuse through assertiveness skill building. Children learn how to stay safe and get help when faced with bullying, emotional abuse, physical abuse, sexual abuse, neglect, and other challenges. Curriculum training prepares educators to teach this curriculum in their own classrooms or as volunteers. Training is designed for classroom teachers, school counselors, and other classroom-based educators.
