PRESENTER TRAINING

Thank you for attending this training. We appreciate your time and dedication to the children you work with. We couldn't do what we do without committed presenters like you. Our team looks forward to supporting you this year as you implement the program.

Training Follow-Up

Training Evaluation

Please complete the training evaluation. If you would like CPE credits or CEU's for Social Workers or LPC's, indicate your preference on the evaluation. Once we receive your evaluation, we will process your certificate. [Complete Training Evaluation](#)

Individual MOU

This document outlines our commitment to you and what we ask in return. Access to the online curriculum requires a completed form. Please contact us with any questions. [Complete MOU](#)

End-Of-Year Data Sheets

Please share with us how you used ChildBuilders' programs each year. This form should be filled out by the end of May each school year. We will remind you by email, but you can always find the link on our website. [View Data Sheets](#)

Account and Curriculum Access

Online curriculum for your program is available through an account on our website. If you are not already set up with an account or need assistance, please get in touch with our staff. Keep these shortcuts on hand for easy access to your materials:

About ChildBuilders and our Approach to Keeping Children Safe

ChildBuilders' Mission

We have been serving the Houston community since 1974. Our mission is to promote mental health and prevent abuse by empowering children, parents, and teachers with assertiveness skills, emotional control, empathy, resilience, and the ability to resolve conflict nonviolently.

What are the Consequences of Child Abuse and Neglect?

- Study on Adverse Childhood Experiences, which can have lasting effects on health, behavior, and long-term life potential: <https://www.cdc.gov/violenceprevention/pdf/preventingACES.pdf>
- Economic burden of child abuse and neglect in the United States: <https://preventchildabuse.org/resources/estimated-annual-cost-of-child-abuse-and-neglect/>

ChildBuilders' Solutions

1. Classroom-based primary prevention programs, e.g. Stand Strong • Stay Safe – Early Childhood.
 - Curriculum access: <https://childbuilders.org/curriculum/stand-strong-stay-safe-early-childhood/>
 - Contact Gretchen at glash@childbuilders.org for help with your account and access.
2. Supporting parents through outreach, webinars/workshops.
 - Current webinar listings for parents and educators can be found at <https://childbuilders.org/events/> Let your students' parents/caregivers and your colleagues know about these free opportunities.
 - Our website is full of resources for parents, caregivers, and the community on mentally healthy parenting. Check out our Parent Guide in [English](#) and [Spanish](#).
3. Supporting educator through professional development and curriculum implementation

Disclosures

The Texas Department of Family and Protective Services website is the best resource for current information on recognizing and reporting child maltreatment:

http://www.dfps.state.tx.us/Child_Protection/Child_Safety/recognize_abuse.asp

Alignment

This curriculum is aligned to the New Health TEKS and the 6 Pillars of Character by Character Counts:
